Sabías que...

Trazar líneas y formas es una forma genial de desarrollar su habilidad para mover esos deditos con precisión.

Si bien los pequeñines tienen la mente llena de ideas, aún no tienen la fuerza y el control para escribir letras.

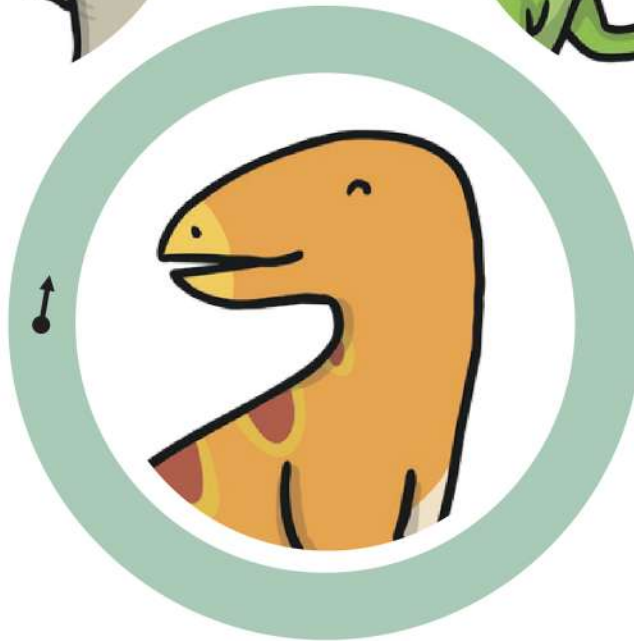

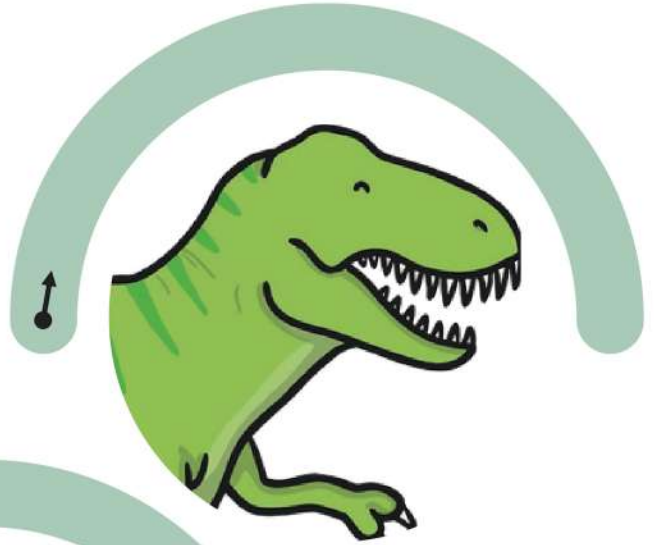

¡Pero no te preocupes! Con actividades sencillas, como trazar figuras, tus pequeños podrán fortalecer y coordinar sus manitas y muñecas. ¡Cada trazo es una victoria!

Con práctica, se convertirán en unos verdaderos expertos en agarrar lápices y controlar sus movimientos.

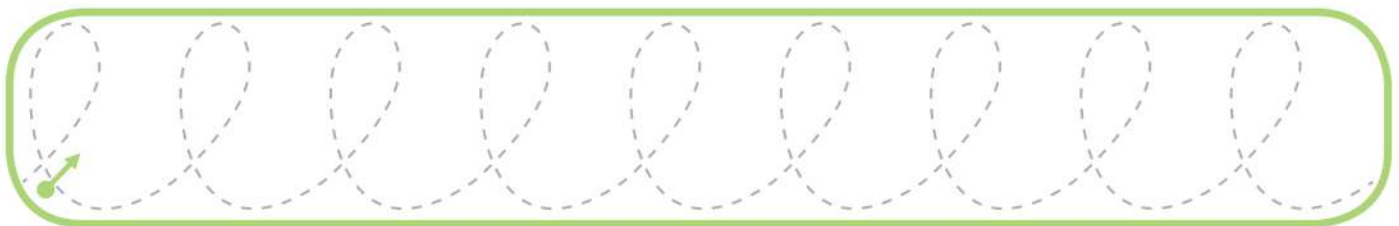

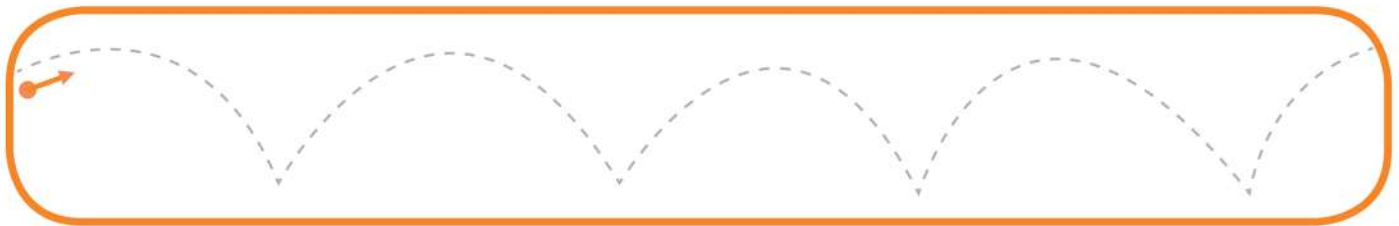

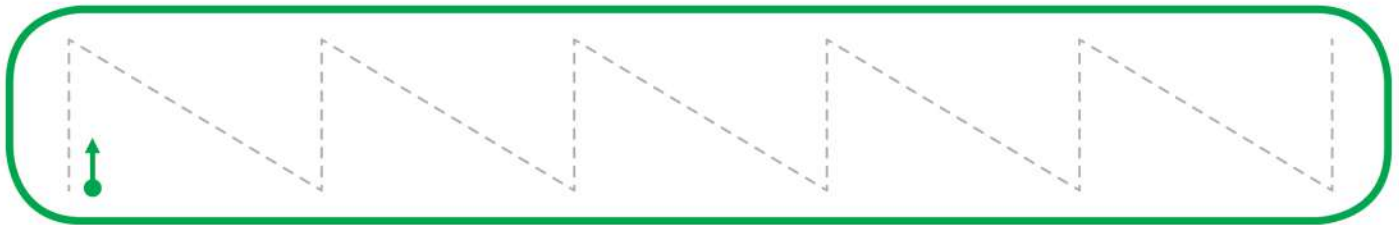

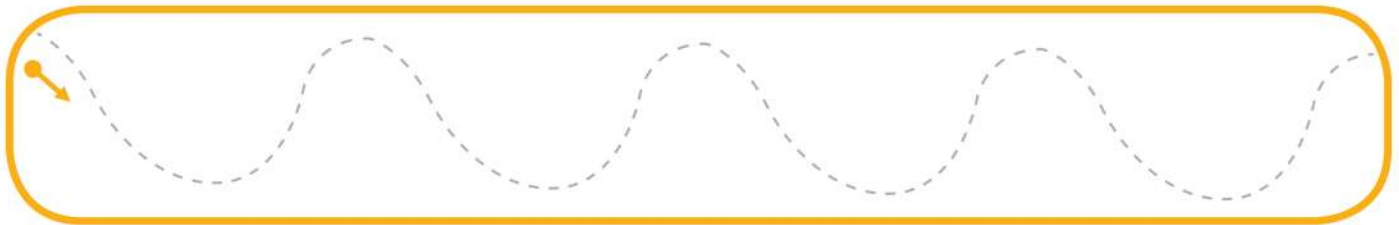

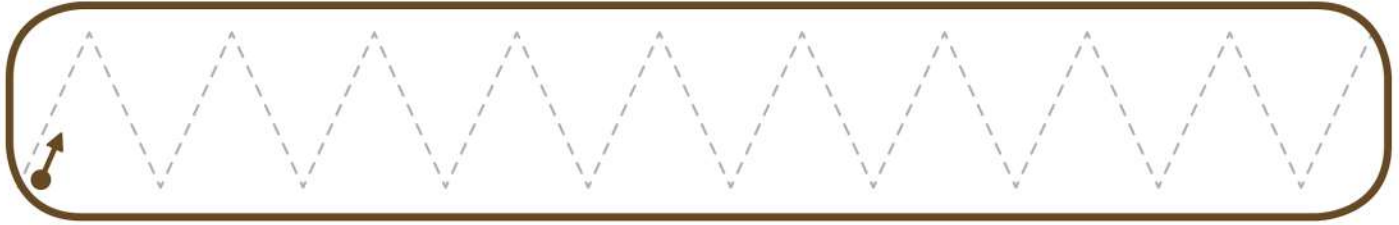

DIBUJANDO CURVAS

DIBUJA LA CURVA QUE RODEA A ESTOS DINOSAURIOS. INTENTA NO SALIRTE DE LA LÍNEA VERDE.

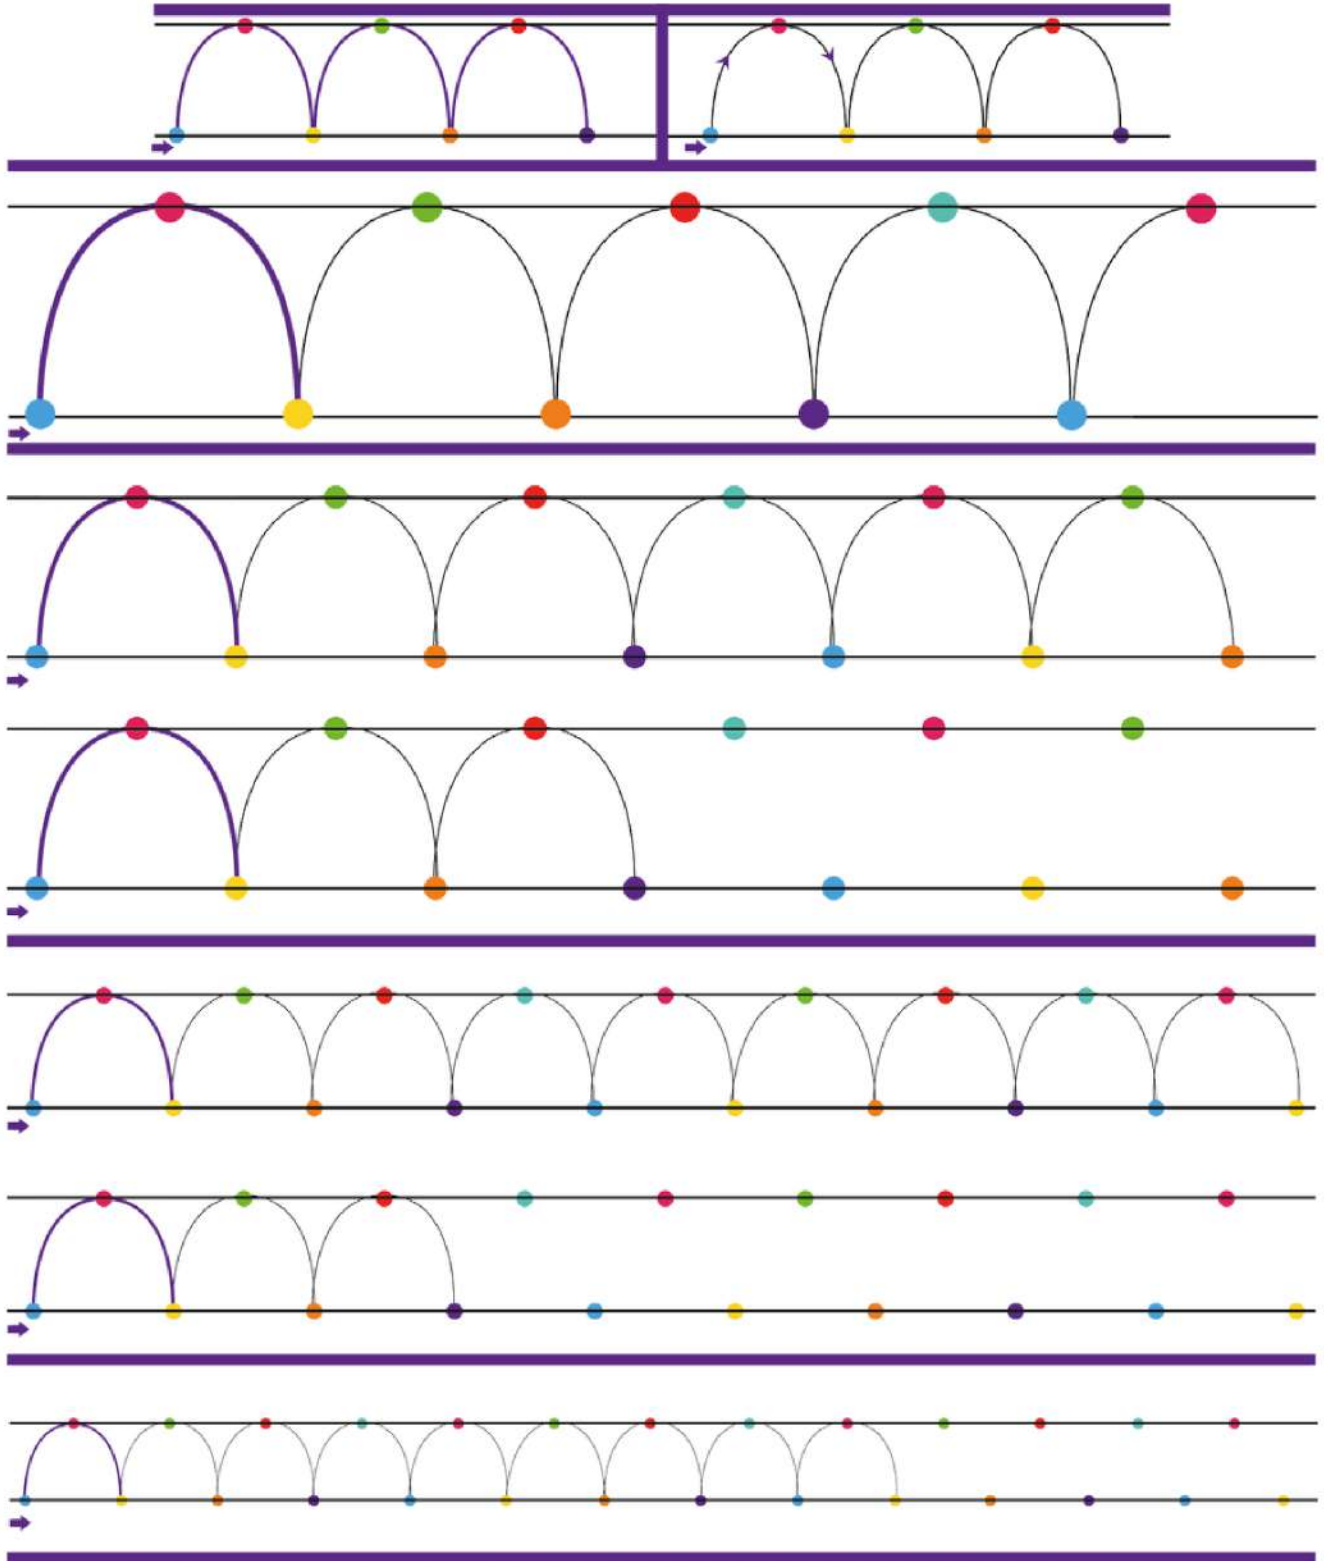

CAMINOS DE LÁPIZ

SIGUE EL CAMINO CON TU LÁPIZ DE CADA CAMINO DE COLOR. ¡QUÉDATE EN EL CENTRO DEL CAMINO!

Control del lápiz

Traza sobre las líneas punteadas tan cuidadosamente como puedas.

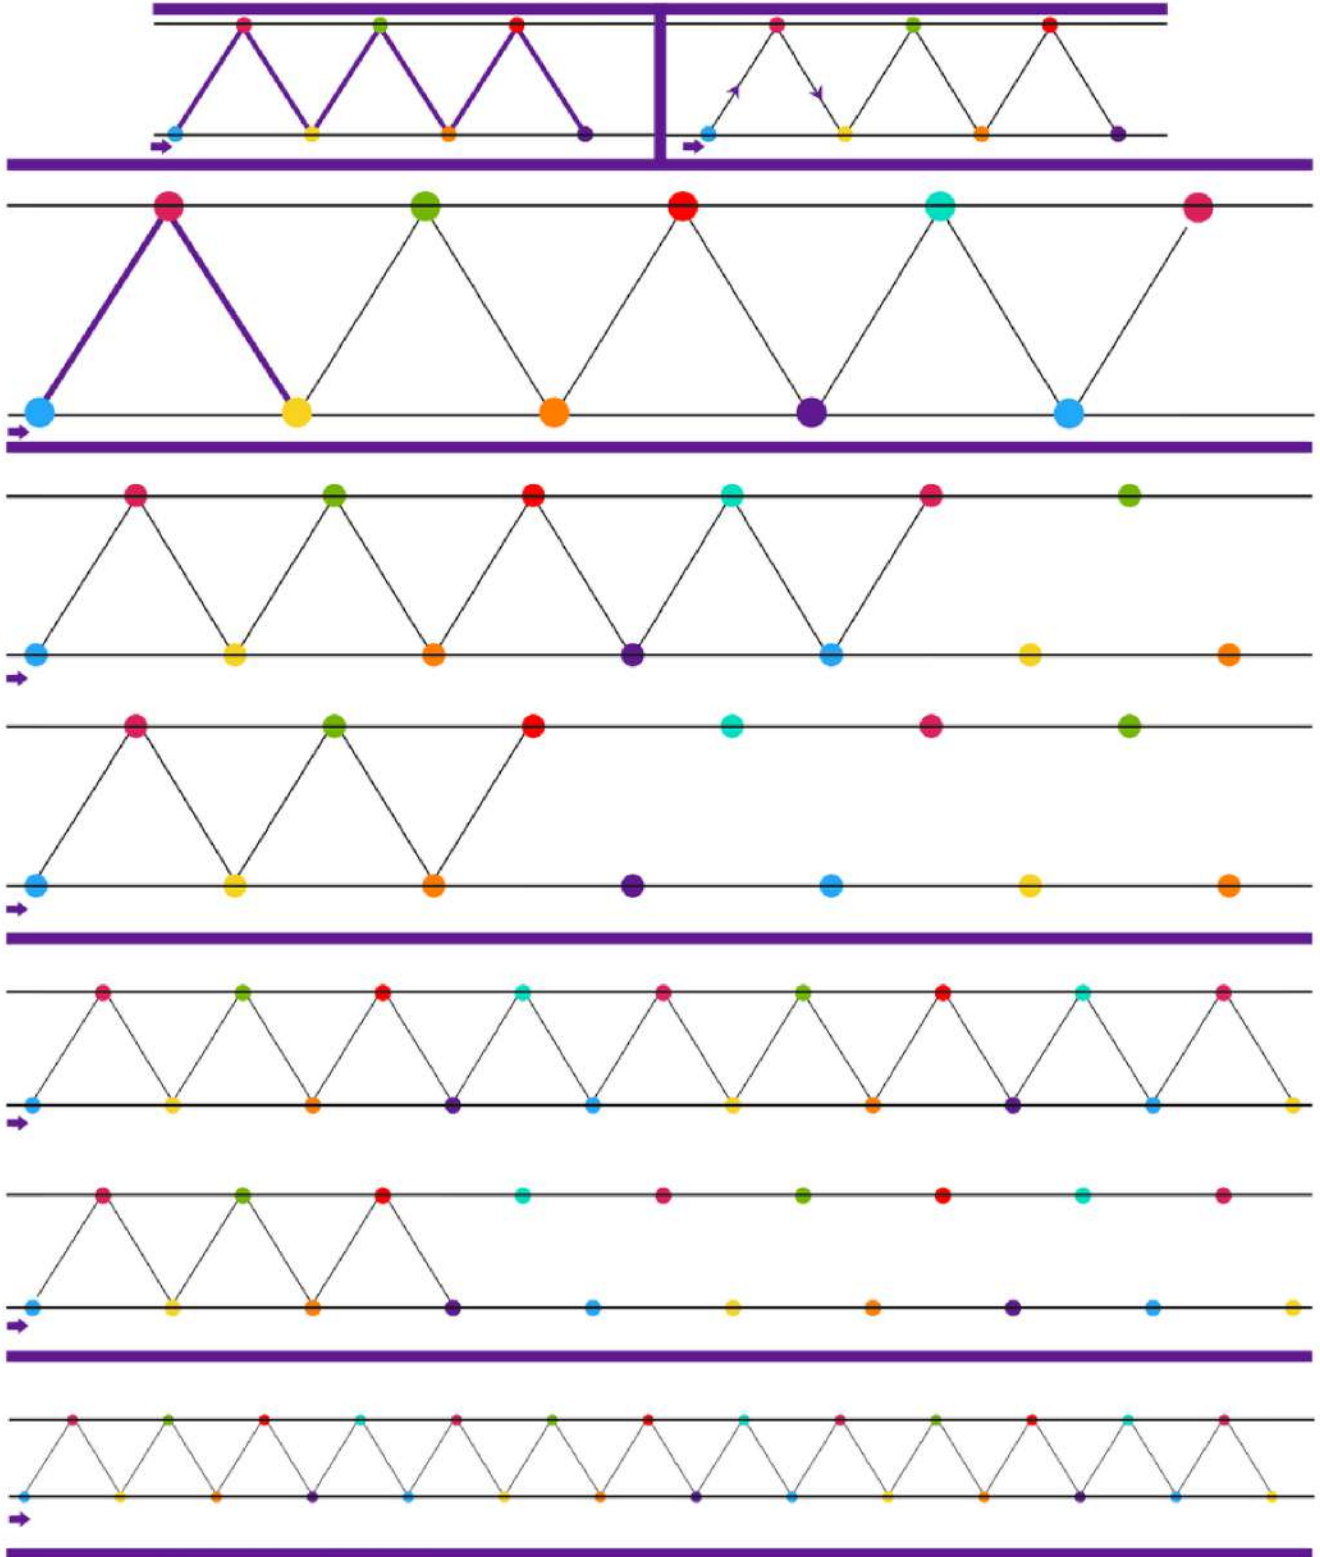

The tracing practice consists of seven rows of handwriting lines. Each row features a series of arches connecting the top and bottom lines. The first row is a guide, showing the arches with arrows indicating the direction of the stroke and a vertical purple line in the middle. The subsequent rows show the arches being traced, with the size of the arches decreasing and the number of arches per row increasing from left to right.

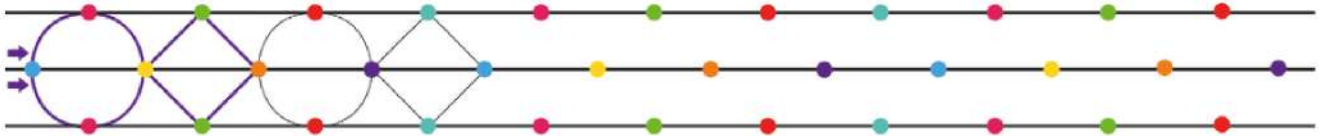

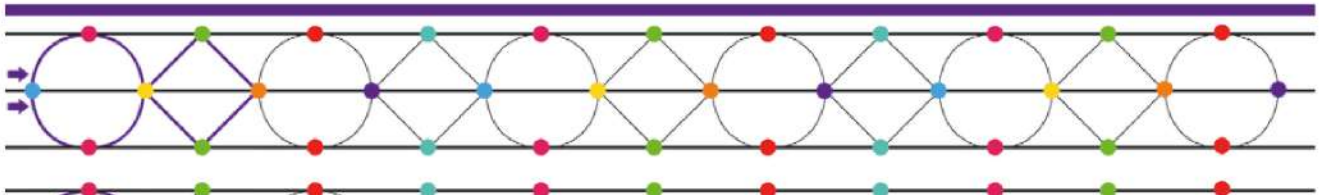

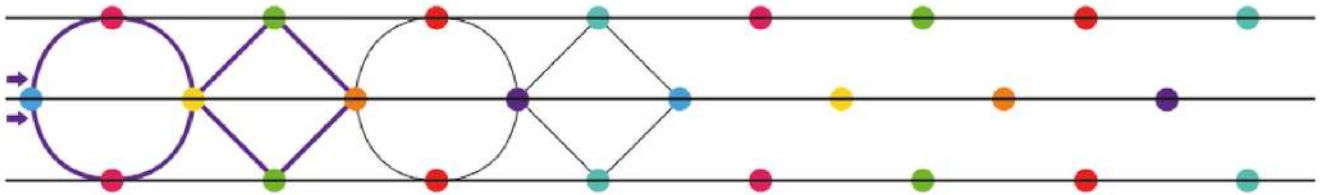

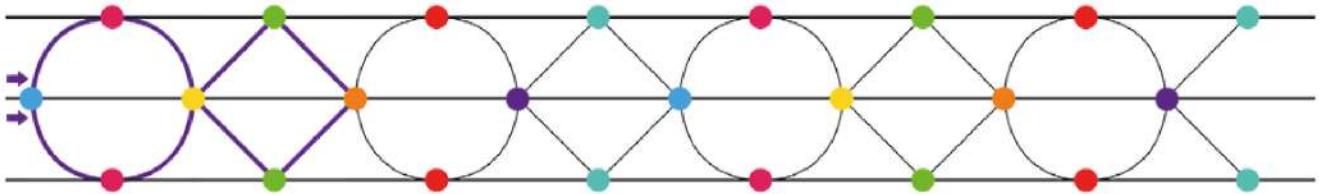

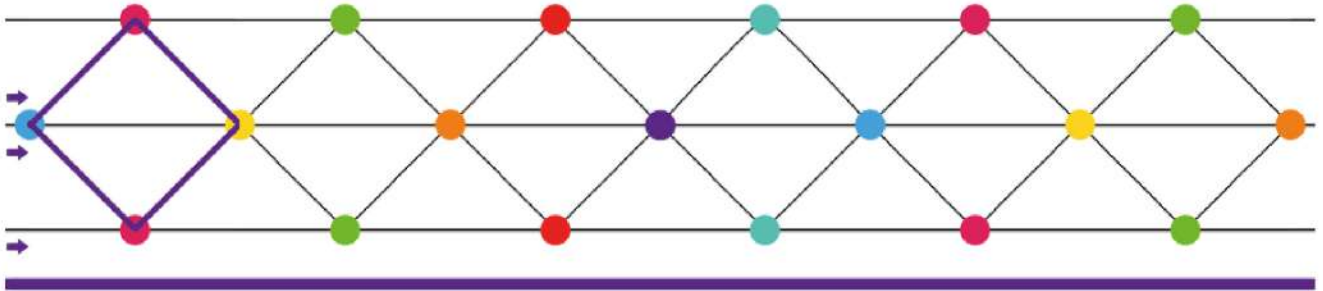

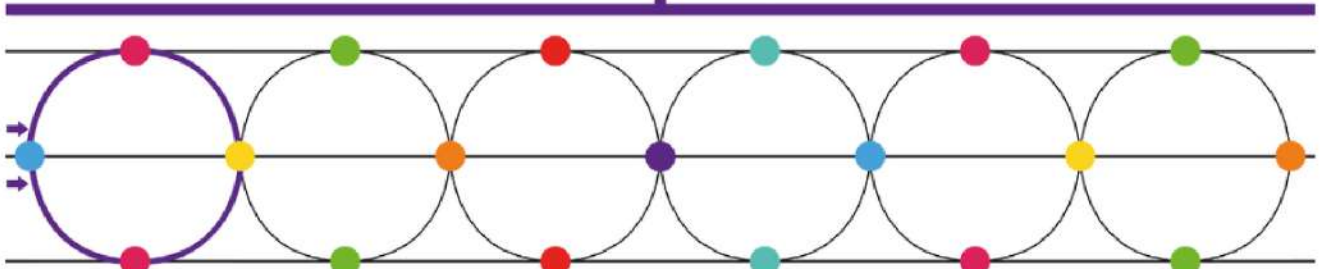

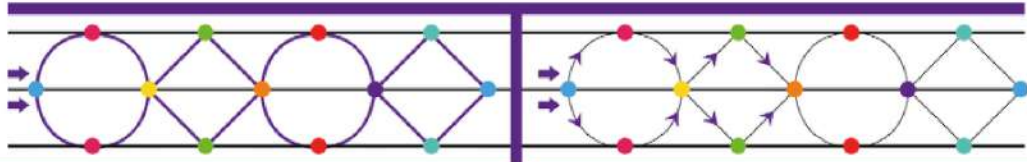

Control del lápiz

Traza sobre las líneas punteadas tan cuidadosamente como puedas.

Control del lápiz

Traza sobre las líneas punteadas tan cuidadosamente como puedas.

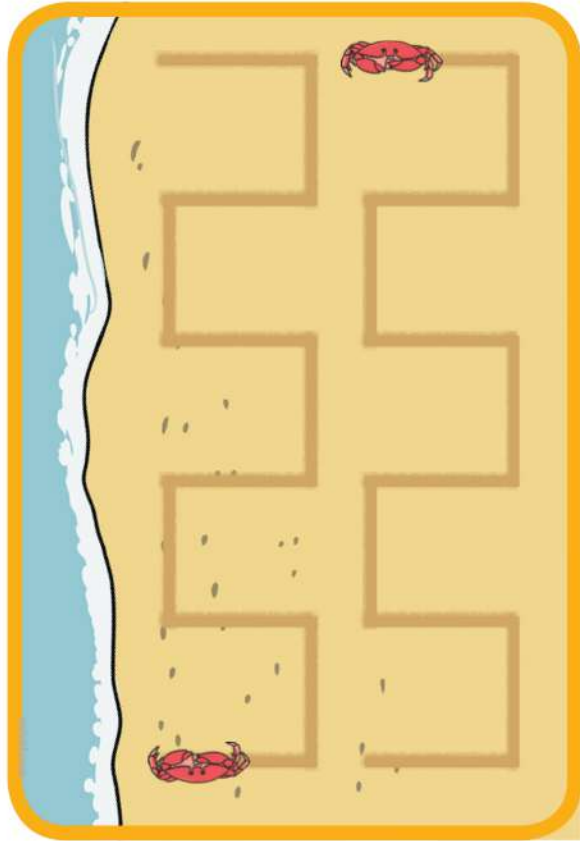

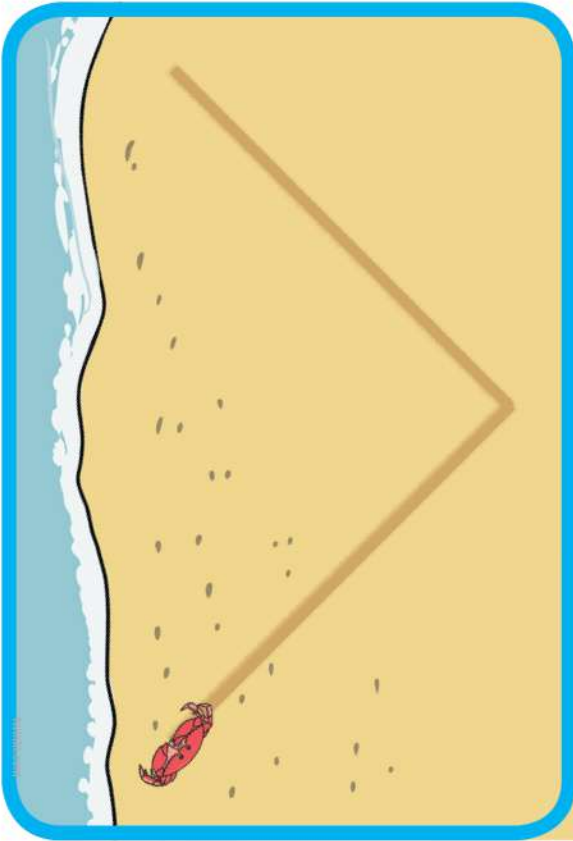

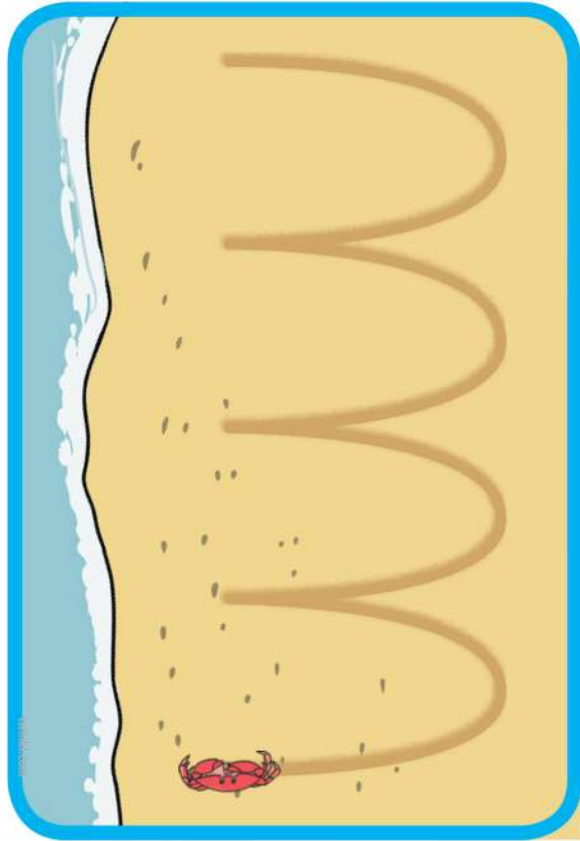

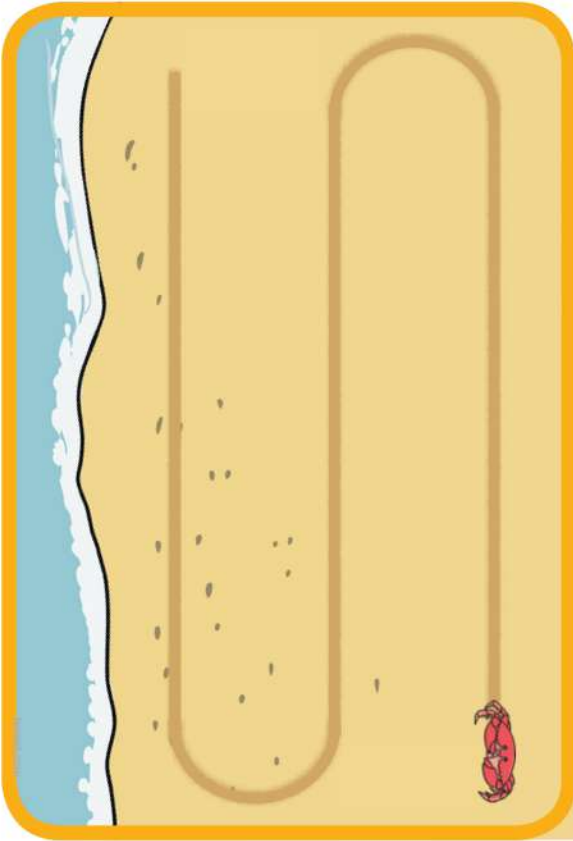

Control del lápiz

Traza sobre las líneas punteadas tan cuidadosamente como puedas.

The handwriting practice sheet consists of several rows of tracing exercises on lined paper. The first row shows two examples of arches and triangles with colored dots and arrows indicating the direction of the stroke. The second row contains four arches and four triangles, each with a different colored dot at the starting point. The third row contains four arches and four triangles, each with a different colored dot at the starting point. The fourth row contains four arches and four triangles, each with a different colored dot at the starting point. The fifth row contains four arches and four triangles, each with a different colored dot at the starting point. The sixth row contains four arches and four triangles, each with a different colored dot at the starting point. The seventh row contains four arches and four triangles, each with a different colored dot at the starting point. The eighth row contains four arches and four triangles, each with a different colored dot at the starting point. The ninth row contains four arches and four triangles, each with a different colored dot at the starting point. The tenth row contains four arches and four triangles, each with a different colored dot at the starting point.
